Personal Success School Supplies for 7th and 8th Grades

“If I plan to learn, I must learn to plan.”

The Binder

The three-ring binder is the most effective tool for you to organize and maintain information for processing. Material can be added, deleted, and placed in proper sequence with a three-ring binder. Your teachers require a 2” three-ring binder. Successful students attend class with the proper materials—text, binder, calendar, pen, pencil, paper, and homework.

The Planning Calendar

As part of the junior high staff’s commitment to reinforcing and strengthening organizational and personal success skills, we are requiring a daily planning calendar to be used by ALL JUNIOR HIGH STUDENTS. This handy 12 month calendar fits into your three-ring binder. You will receive your calendar, which includes the student handbook and other important information, at the start of the school year.

Preparing for 7th and 8th Grade

Besides buying the needed supplies, there are other ways you can prepare for your year at Liberty Bell. During the summer, you might want to continue improving your reading skills by reading a newspaper, a magazine article, or some pages in a novel each day. Practice your math skills by finding bargains at the store, measuring in the kitchen, and working on mind benders and other types of puzzles. Get out and enjoy the fresh air and stay active with friends. Best of all, enjoy your summer and come to school in the fall ready to learn. We look forward to a wonderful year with you!

Reminders:

- 1. Look for bargains locally and out of the area starting in August. Local stores carry school supplies, but if you’re shopping in Omak or Wenatchee, you might try Costco, Walmart, or Target.**
- 2. You will probably need a sturdy backpack for your books and binder. Students store backpacks in their lockers during the school day and bring their binders and books to class.**
